The Volkswagen Certified Pre-Owned Program

Learn about our comprehensive benefits and leave the second-guessing behind.

Quality minded. Value driven.

When it comes to car shopping, confidence is a powerful commodity. And through the Volkswagen Certified Pre-Owned program, this dealership aims to instill that confidence, from first sight, to test drive, to time of purchase, and beyond. Because when you drive off in a Certified Pre-Owned model, you're not just behind the wheel of a vehicle you can't wait to show off—you'll also have the reassurance you can only get when trusted quality and exceptional value come together to bring you something truly outstanding.

Coverage you can count on.

You've got a lot of road to travel, and we want to help keep you feeling confident from one mile to the next. This is why every Certified Pre-Owned (CPO) VW is covered by a Model-Specific Limited Warranty. The warranty period begins when the New Vehicle Limited Warranty expires or on the sale date of the CPO Volkswagen vehicle, whichever occurs later.

CARFAX® Vehicle History Report™⁴

"Volkswagen Certified Pre-Owned" is more than a title—it's a process. Because in order to be certified, every vehicle in the program must pass a detailed 100+ Point Dealer Inspection to help check its quality and performance. And should a car not perform according to our standards, we won't certify it until it does—using Genuine Volkswagen Parts, of course.

Transform your in-car entertainment with over 150 channels of SiriusXM®. If your Certified Pre-Owned Volkswagen is SiriusXM® equipped, you'll enjoy a 3-Month Platinum Plan Trial Subscription, including all premium programming. Even better, with the SiriusXM® app,³ you'll be able to listen at home or on the go. It's everything you could ever want to hear, practically everywhere.

We want you to know your car inside and out, which is why every Certified Pre-Owned Volkswagen comes with a CARFAX® Vehicle History Report™. This report helps give you valuable insight into potential issues, like title problems, ownership history, prior accidents, and more—providing you with the assurance you need to drive away more confident than ever.

² Trial period begins upon vehicle in-service date. Trial length and service availability may vary by model, model year, or trim. Service will automatically stop at the end of your trial subscription period unless you decide to continue service. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period.
